

Hi Your honor This is Mr. Tony Jells and am presenting you with my Appeal/Time Reduction Paperwork to get this into the right hands, I've sent this same Paperwork March, 2 of this year and it has not reached the destination hopefully this reaches you in time so I can move forward with this process.

Also, I was wondering if you could execute my state time so I can begin my federal time I've completed some programming and am in education so I can better myself mentally, an being that I'm not getting MRRA I would think that going to federal prison would be best for me so I can get the right programming while I'm there cause I want to utilize my time wisely to get out a better father so my kids won't make the same poor decision I've made.

Please take this into consideration

Thank you for your time & patience

Mr. Tony Jells
